IMPLEMENTED PROJECTS

MEDIA CENTRE

ESTABLISHED WITH
SUPPORT FROM THE
USAID DOBRE
PROGRAM

RESULTS:

FACILITY IMPROVEMENTS

The premises were renovated,
professional lighting was installed,
and computer and media
equipment was purchased.

PRACTICAL SKILLS

Workshops on using professional
media equipment, development
of practical skills

DIALOGUE AND NETWORKING

Exchange of experience among
entrepreneurs and development of
joint promotional activities

IMPLEMENTED PROJECTS

CARPENTRY AND WOODWORKING WORKSHOPS IN EDUCATIONAL INSTITUTIONS IN VELYKYI KUCHURIV AND HODYLIV

ESTABLISHED WITH SUPPORT FROM THE USAID DOBRE PROGRAM

RESULTS:

FACILITY IMPROVEMENTS

Equipped spaces for practical training, with woodworking and wood-turning machinery installed

CAREER GUIDANCE

Early career guidance for school students.
Students have the opportunity to explore practical professions, helping them make informed choices about their future careers.

CREATIVE SELF-EXPRESSION

Children gain confidence in their abilities by going through the entire process, from raw materials to a finished product

IMPLEMENTED PROJECTS

CYCLING ROUTE “TUR MISTECHKO” (“TOUR TOWN”)

ESTABLISHED WITH SUPPORT FROM THE
USAID DOBRE PROGRAM

RESULTS:

INFRASTRUCTURE DEVELOPMENT

A safe pedestrian and cycling route was developed, with bicycle parking facilities, gazebos, information boards, and directional signs installed

ACTIVE LEISURE AND HEALTH

The new recreational area has helped reduce sedentary lifestyles among local residents by providing more opportunities for active leisure and recreation

TOURISM POTENTIAL

The project has laid the foundation for the development of local green tourism by making use of the area's natural resources

IMPLEMENTED

“USPIKH” (“SUCCESS”) WOMEN’S LEADERSHIP HUB

ESTABLISHED WITH SUPPORT FROM THE USAID DOBRE PROGRAM

RESULTS:

FACILITY IMPROVEMENT

A previously unused space was renovated and equipped as a place for women to relax and spend their leisure time

EDUCATIONAL EVENTS

Regular workshops, masterclasses and training sessions are held for women based on their interests

DEVELOPMENT

Women develop skills in effective communication, negotiation, conflict resolution and public speaking, as well as techniques for psychological well-being and stress relief

IMPLEMENTED PROJECTS

OPENING OF THE “TVII BEZMEZHNYI PROSTIR” YOUTH SPACE IN VELYKYI KUCHURIV

- INITIATED BY THE YOUTH COUNCIL OF VELYKYI KUCHURIV MUNICIPALITY
- ESTABLISHED WITH THE SUPPORT OF THE USAID DOBRE PROGRAM

RESULTS:

INFRASTRUCTURE DEVELOPMENT

The area was equipped with a stage and a recreational area.

SAFE AND ACCESSIBLE ENVIRONMENT

The municipality's youth have access to a free, inclusive space for meaningful leisure activities away from digital devices.

SOCIAL INTEGRATION

The space has become a key place for psychological relief, adaptation, and social interaction. Young people develop their teamwork and communication skills

IMPLEMENTED PROJECTS

INSTALLATION OF A SOLAR POWER PLANT AT VELYKYI KUCHURIV SCHOOL

CREATED UNDER THE PROJECT “SUPPORTING UKRAINE’S ENERGY SECTOR THROUGH THE INSTALLATION OF SOLAR POWER PLANTS”, FUNDED BY FUND FOR THE DEVELOPMENT COOPERATION AND HUMANITARIAN AID

RESULTS:

INFRASTRUCTURE DEVELOPMENT

Solar panels and an inverter were installed to generate electricity, along with batteries for storing excess electricity

ENERGY EFFICIENCY

The use of grid electricity and electricity costs have been reduced.

ENERGY INDEPENDENCE

The school can continue operating even during power outages.

AREAS FOR COOPERATION

1

ENTREPRENEURSHIP DEVELOPMENT

- Promoting entrepreneurship among different population groups by supporting residents in starting their own businesses;
- Improving access for micro, small and medium-sized enterprises (MSMEs) to funding opportunities under existing government and international support programmes

3

INCLUSION, HEALTHCARE AND SOCIAL PROTECTION

- Expanding access to preschool education in municipal institutions;
- Developing a range of sports activities and expanding the network of sports facilities;
- Supporting and directly implementing important social projects

2

DEVELOPMENT OF RENEWABLE ENERGY SOURCES AND SOLID WASTE MANAGEMENT

- Implementation of energy-saving technologies and comprehensive measures for establishing an integrated solid waste management system

4

EDUCATION, CULTURE AND SPORTS

- Developing an inclusive, child-centred educational environment;
- Improving the quality and accessibility of services provided by the music school;
- Improving and reconstructing cultural infrastructure;
- Developing various sports and establishing modern sports grounds and stadiums in the municipality
